This Semiannual Rummage Sale rises far above any other event held in Washington. It has for its sole purpose the immediate clearing away of all odd lots, ends of lines, broken sizes and incomplete assortments remaining from the season's selling. The sensational bargains that fill every department are all the more impressive when market conditions are considered. Wholesale prices are soaring every day, and in many instances you will have to pay double next season for the goods we are closing out in this Rummage Sale at one-half and two-thirds below prevailing prices.

Yellow cards point the way to Rummage Sale items throughout the store—let them guide you to the bargains in every department. Remember, please, that some of the lots will not last all day, as the quantities are limited. Come early. We cannot fill mail or phone orders.
